

Important Rules for the Practice Field

(and the game field, too)

1. NO SMOKING OR VAPING allowed.
2. NO PARENTS are allowed on the field or outside designated areas.
3. **NO PETS.**
4. NO OFFENSIVE OR ABUSIVE LANGUAGE will be tolerated.
5. CLEAN UP AFTER YOURSELF. Our field is very nice, let's keep it that way. If there is an issue with the facility, please bring it to the attention of the volunteers at the concession trailer.
6. If you have a question or concern for your coach, please wait until the end of practice to address the issue.
7. If you have an equipment need, please wait until the end of practice to discuss with your head coach or assistant coach.
8. Please remember this organization is run by volunteers. If you would like to take on a role, please speak up. Thank your coaches and other volunteers that make this program work. Be respectful of others.
9. Be Prompt!!!! Please be on time to bring your participants to all practices and games. Parents should not just drop their child off. An accident can happen (hopefully they will not) but a parent/adult should be available in case it does. If you must leave, please make sure your cell phone is turned on in case the coach needs to get in touch with you. If the weather is looking bad, please stay close in case we need to evacuate the field.
10. **You should return to pick up your child 15 minutes before practice is scheduled to be over.** If you are going to be late to pick up your child, you must call AND SPEAK TO your child's coach. A voicemail or text is NOT sufficient. We will have no choice but to call authorities if children are not picked up and no contact has been made.
